Bellwork Slides

Week 2.1

Your Name
(Monday's Date - Friday's Date)

Delete this slide after you read it

These slides will be your weekly bellwork for this class - you will have two slides to complete each week. YOU will be in charge of these slides - you can choose the color, fonts, or themes you want. You can even add pictures if you want! All that matters is the *content* of the slides, which will be clearly laid out for you. Bellwork slides will be posted on Monday mornings and will be due on Sunday nights.

On the following slides there will be a series of prompts. You will be asked to answer questions, find images, or draw something yourself and attach a photo.

Highlighted text = this is instruction - delete it before you turn in your assignment

Grey text = delete this text and replace with your own information

Black text = keep this text, but you can change the font and color
